We will be having speakers from many of the major manufacturers, as well as speakers from the Michigan DEQ and Dept. of Agriculture. We hope to provide you with information on the 2009, 2010 permitting season, as well as other things to expect for the new year.

Please don't miss this opportunity to hear about all the new and upcoming research that applies to your field of work, mark the date now and we will look forward to seeing you there!

Meeting supported by the Michigan Aquatic Managers Association
